

Combined Troop Pilot Unit Memorandum of Understanding Form due to CMC by July 22, 2024

Only troops approved by the Central Minnesota Council, with approval from their chartered organization, may participate in the Combined Troop Pilot program. Acceptance of this Memorandum of Understanding (MOU) by Troop # _____ chartered by: _____ and Troop # _____ chartered by _____, will be considered for admittance into the Combined Troop Pilot program. If the troops meet all conditions of the memorandum, the troops will stay in the pilot program as long as the pilot program remains active.

Please check each of the following to show that you have read and agree to the terms of the pilot program, if approved for participation.

As pilot program troops, the two troops agree:

- To receive approval to participate from their chartered organization. That the chartering organization is responsible for selecting the Troop Committee Chair. The Troop Committee recommends the Scoutmaster, who the chartered organization approves. The two troops will function as one troop with one Committee Chair, one Scoutmaster, and one Senior Patrol Leader.
- To assign a registered adult leader in the troop as the pilot's representative to the council. The representative agrees to participate in the Troop Pilot Kick-off Webinar on **TBD** and, if unable to attend the live webinar, to watch the recorded session by August 31, 2024.

- To provide feedback for possible improvements via official surveys. To contact the local council with any questions about the pilot program. Should the pilot program be terminated for any reason, the chartering organization agrees to discontinue the Scouts BSA Combined Troop format.
