

2024 Spring Fundraiser Sale Information

The spring fundraiser is intended to help **your unit** raise funds for **your program and adventure needs**. It is also a critical part of helping the Council meet its financial needs in providing a quality program for your Scouts.

This is a supplemental program to the Annual Council Fall Popcorn Sale. Perhaps there are additional financial needs that your unit and some of your participating Scout families have such as: paying for Summer Camp, paying dues, program fees, purchasing new uniforms, and purchasing equipment needs. Maybe there is a special event like a High Adventure trek or national-level event that your Scout may need some extra funds. This spring fundraiser sale will help you supplement income from the popcorn sale for those needs. 30% of the sales will go back to the Scouts that sell.

The Central Minnesota Council has teamed up with Wrazidlo's Old World Meats, Inc. Wrazidlo's is based out of Duluth Minnesota and make flavor-filled meat sticks. The meat sticks are wood smoked with no fillers and are high in protein and low in fat. The meat sticks are a shelf stable snack stick and have a 13 - month shelf life with no refrigeration required. Each stick is a 1 oz. individual package. There are 20 sticks per caddy, with a case containing 12 caddies. The meat sticks are sold by the caddy to the units. The individual meat sticks are sold for \$2 or \$40 per caddy.

Flavors that are being offered are:

BBQ, Buffalo, Dill Pickle, Hot, Original, Pepper Cheese, Pepperoni, Teriyaki

To register for the 2024 Spring Fundraiser go to: <https://247scouting.com/forms/296-springsale24> or look for the information on the Council website at www.bsamcm.org. Once registered a Zoom link will be sent for the February 22nd meeting. The meeting will discuss how the sale will work and extra incentives a unit can earn. By March 1st the units place an order of how many caddies of meat sticks they want to sell. Order forms can be emailed to sheri@bsacmc.org or dropped off at the Scout Office in Sartell. Each caddy must be the same flavor. March 25th meat sticks are picked up by units and selling starts.

This year the sale will be divided into two sessions. Units can participate in the first or second session or both. By June 4th the units will need to return unopened caddies to the Scout Office.

An invoice will be sent on June 5th for product that has not been returned. Payment will be due to the Scout office on June 10th.
